Whitelee Windfarm Visitor Centre Risk Assessments

Statement for schools

To ensure a high standard of safety for school visits to Whitelee Windfarm Visitor Centre, a full set of procedures are in place to reduce the risk of injuries to 'as low as reasonably practicable'. These include:

- Health and Safety Policy
- Child Protection/ Lost Children
- Risk Assessment
- Emergency Evacuation
- Fire Assessment
- First Aid

The visitor centre, exhibits, workshops and guided tour have all been risk assessed. Whitelee Windfarm Visitor Centre is subject to regular audits by East Renfrewshire Council Health and Safety and visits by Strathclyde Fire and Rescue Service.

All activities, events and workshops run at Whitelee Windfarm Visitor Centre are risk assessed on an individual basis. Risk assessments are monitored and revised yearly or when changes occur.

All fire equipment is checked and maintained with fire alarms being tested in compliance with statutory requirements.

Whitelee Windfarm Visitor Centre always has a trained first aider available. There is a duty manager available to deal with any emergency on a daily basis, contactable via all staff. Key safety points are covered in briefings for schools at the beginning of their visit.

If there is any issue or concern not covered within the above statement, please contact the duty manager on the day of your visit or contact the Visitor Centre Manager on 0141 614 0851 to discuss further.
